YOUR EXCELLENCIES

REQUEST FOR SUPPORT FOR THE CREATION OF ANIOMA STATE

It's with a deep sense of Patriotism and humility that we officers and members of the Anioma state creation Supporters Movement appreciate the good works You our leaders are doing to move our country forward. The challenges and task of nation building is indeed enormous.

In recent time, Mr. President , the National Assembly and our state Assemblies have been seen to be favorably disposed to the creation of more states in Nigeria to address structural marginalization of the South East of Nigeria and satisfy the agitations of other parts of the country for more states that would bring more development to all parts of the country.

We also note in particular the disposition of Mr President to the creation of Anioma state .

It is in realization of these facts that we thank you our leaders for this stand and continue to request and appeal for the concretisation of the creation of Anioma State which definitely will be a Pan Nigeria state and balancing parity state for the South East.

We thank our Pan Nigeria Patriot and great son of Anioma land Distinguished Senator Ned Nwoko for initiating the bill for the creation of Anioma State and his commitment to the crusade.

We equally appeal to those in Anioma land and South East who for whatever reason have a different opinion on this matter to look beyond the cloud and note the positive far reaching cumulative effect of the creation of Anioma State.

It will be win kudos for all. We want also to congratulate Ohanaeze Ndigbo and its President General Senator John Azuta Mbata for supporting this cause.

Finally we thank Mr President Bola Ahmed Tinubu for his determination to ensure geo structural Equity in Nigeria and positive disposition to the creation of Anioma State

God bless Nigeria
